

Commercial Beautification Agenda

April 19, 2021

5:00 Ozark Wheels office

609 W Newton St

“Serving as a resource to businesses and the City of Versailles to cause a beautiful, welcoming, successful business district”

1. Welcome

2. Discuss upcoming Mural Committee; Megan Randall, Chairperson; Becky Samson, Stacey Embry and Ashlee Embry

3. Discuss plaque committee: Christine Thompson and Anna Zolecki are sophomores in the Digital History Class, serving alongside their instructor, Jason Vansell and VCB members: Talesha Fowler, Chairperson; Tony and Evan Coons, Suzanne Hall, Charlie Stephens, Nicole and Lanie Bailey.

4. Tabled projects from 2020, discussion. Form sub-committees to research:

A) Sound system for the courthouse/music on the square- need committee to meet with:

Trey Neal, Specialist & Sound Engineer TCS, Cell 660.441.3675 www.calltcs.com 866.225.5827, Ext 1135 and also with Kathy Francis

B) New Versailles flag-meet with the mayor, then city council to check feasibility of the project, then potentially high school art students, home schooled students, etc

C) Way-finding signs with a theme (apple?): City Pool, Morgan Co Library, Post Office, City Hall, License Bureau, etc: the grant received in 2020 has been used for other city projects. We need a new committee to research a grant possibility for way-finding signs.

5. FUNDrive, Becky update

7. The Morgan County Historical Museum would like to partner with VCB and the Royal Theatre. Some of their concerns/projects:

New people to become members (\$10 per year), new ideas and new active members

Help rearranging rooms, gut the store, create and sell souvenirs, revamp museum, look professional

They will open the museum just for us (possibly for one of our meetings), if we'd like to look at the projects and form a committee to assist.

6. Set next meeting date/place (May 17?).
