

Fundraiser Committee for VCB  
Wednesday, April 12, 2017

The Fundraiser Committee met on Wednesday, April 12, 2017 at Square Deals at 5:15 p.m. to finalize plans for the Ice Cream Social on Sunday, April 23.

Present: Pam Silvey, Cara Silvey, Dorothy Lucas, Doris Hilty, Elva Clark, Leslie Mooney, Kathy Jones

~~Auction items that have been donated were brought in and reviewed. Each person who received donations is asked to make a list of who they collected from and send to Pam after the social so we can do a thank you.

~~1000 flyers were printed by BW Graphics for free and will be cut and Cara will get those to Sonic to hand out with their orders. Other flyers were emailed and can be printed out for bulletins in churches, etc.

~~We should have enough people who signed up to make cakes. They can be brought to Square Deals before 5:00 on Saturday, April 22, or on Sunday by 1:00. The committee needs be there to help before 2:00. Leslie has ice cream scoops but we may need spatulas for the cakes and we will cut generous servings of the baked items.

~~The youth committee will be moving tables and chairs around 12:30 that day from Civic Hall.

~~Pam will contact the manager at Walmart about their donation –we may use that to get toppings and Leslie could get Central Dairy ice cream for a cheaper price.

~~Leslie will pick up the water and ice from Sonic. She has 4 coolers but may need more for the ice and will get the water bottles cooled.

~~Doris brought a bucket which we will use for loose change and tips and Elva reminded us to ask when they pay, if they would like change back, which often people will say no, and that money can be put in the loose change bucket.

~~Brian Jones and his Dixie Jazz Band will begin playing at 2:00 and will play off and on until 5:00. He welcomes other groups to participate as well. Tiger Tunes is supposed to perform at 2:30 and Doris' grandson and his friend may entertain as well.

~~We will pray for good weather and a good crowd to attend, as there are many items to auction and lots of donations have been made. Rain date is April 30, should we need it.
