

VCB Youth Services – Email Meeting Summary

Chairman Brad Chamberlain
Vice-Chairman April Boicourt
Secretary Jaime Wright

Meeting

The Meeting was canceled on the regularly scheduled day of July 20th, 2017. An impromptu email meeting was held in its place to share what has been going on in the VCB Youth Services Committee.

June Blooms – Barb Loganbill:

All the Flowers were painted during the Concert in the Park! They all have stakes and leaves now and are ready to purchase. Notices will be going up on the VCB Facebook page with amounts and who to contact.

Youth Arts Sub-Committee – Jennifer Avey:

I have been working (more like thinking) out details on several projects for our Youth Arts subcommittee. One is a mural working with youth & the park board where the kids will come up with a design/theme & an adult will draw it up on the wall so they can paint it in themselves. I think it would be neat to make it a yearly thing so that the mural changes & different kiddos can take pride in their artwork.

Another project is working with some people within the community not affiliated with VCB... I have noticed our ranks dwindling & thought it would be a great idea to start recruiting some outsiders ;-). Raylene Bench, Mary Jo Jackson (and anyone else who wants to join!) and I would like to paint rocks in the style of June Blooms to create a rock garden in the courthouse of the nursing home(s). We have thought about taking it to the Food Pantry free event, school athletic games (small charge), etc. in order to bring the art to the kids. If someone has a zinger of a name for this project, please let me know!!

Movies in the Park – Jaime Wright

“Movies in the Park” is on the move! We’ve started asking community sponsors for donations to help get this off the ground. I’ve got the park reserved for the first night of a Back to School Movie! August 18th at Sundown (8:30ish) is when the movie will start. Please let me know if there are any businesses that are agreeable to being a sponsor and we’ll get them hooked up with more information! If you have any ideas as to what movies should be shown, please let me know. – Thanks!
